

CMPT 276 - AI Disclosure Form - Fall 2024

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

10. Please explain your rating above about AI's impact on your learning for this submission. (Write in 2-3 sentences) * 

I used chatGPT to help brainstorm our project idea and see if it was possible to do and what kind of aspects we should consider when planning out this project. It was helpful to get suggestions on how we could use different API's to integrate into our project and I was able to finalize our ideas through asking AI specific questions I had about the implementation and how everything would

11. List the name all the AI tools that you used for this submission * 

chatGPT

12. How confident were you in AI's responses that you received? * 

- ☒ Confident
- ☐ Somewhat confident
- ☐ Neutral
- ☐ Somewhat not confident
- ☐ Not confident

13. How did you ensure the answer you received from the AI tool was correct? * 

I also did my own research of how Notion andS Spotify API's could work by going to their websites and reading about it.

14. Did you at any point abandon using AI tools and seek other resources? Explain your answer. *

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

I also went to various websites to find possible API's we could use in addition to using AI to enhance my research.

16. Please explain your ratings above, especially if you have AI tools for "other" types of work. *

I only used AI to help with brainstorming and finalizing our ideas. I was able to write our proposal by myself, with the help of my group members editing and peer reviewing my writing.
